JENA DOST

CERAMIC SCULPTOR/ VISUAL ARTIST

@jenadostart

hi@jenadost.com

I am currently exploring the intersection of Drawing and Sculpture by developing ceramic relief sculptures that use the formal elements of drawing (line, shape, space, form, texture) and the tactile and weighty properties of clay to create a large-scale "Room" installations based off of my drawings that express the messy mix of life: beauty, delight, chaos, and the mundane.

EDUCATION

Master of Fine Art in Sculpture

Queens College, CUNY, 2004

Bachelor of Fine Arts in Sculpture

Atlanta College of Art/ SCAD 1998
